The Four Horsemen

The Four Horsemen, not to be confused with "Aren Anderson and the Four Housemen," is a legendary professional wrestling stable that originated in the 1980s. The original members included Ric Flair, Arn Anderson, Ole Anderson, and Tully Blanchard, with J.J. Dillon as their manager. This group became iconic in the wrestling world for their in-ring prowess, charismatic interviews, and the influence they had on the sport. The name "The Four Horsemen" was inspired by the biblical Four Horsemen of the Apocalypse, symbolizing their dominance and impact on professional wrestling. Over the years, the group saw various line-ups and

was active in different wrestling promotions, including Jim Crockett Promotions and World Championship Wrestling. The stable was known for holding multiple championships simultaneously and for their feuds with other wrestling legends. Arn Anderson, often seen as the enforcer of the group, played a pivotal role in the stable's success and its enduring legacy. The Four Horsemen's influence is still felt today, as they set the standard for future wrestling factions and were inducted into the WWE Hall of Fame. Their legacy continues with Arn Anderson holding the ownership of the stable's trademark and intellectual properties, ensuring that the legend of The Four Horsemen lives on in the annals of wrestling history.
